

WHEN IT COMES TO SAFETY INSTRUMENTS, NEVER COMPROMISE

Protected Surgical Blades and Reusable Handles

Protected Disposable Scalpels

Bard-Parker® Safety Blades and Scalpels

Bard-Parker® Protected Surgical Blades and Reusable Handles

Protection Without Compromise

The Bard-Parker® Protected Surgical Blades and Reusable Handles have been designed with the weight and feel that clinicians may prefer in the operating theatre with convenient and easy one-handed activation of the protective shield. The blade remains covered during both assembly and disposal to help prevent accidental contact with the blade.

Protected Blade System Metal Handles
